### **DETAILED ACTION**

1. This action is in response to the amendment filed on 08/09/2007.
2. The rejection under 35 U.S.C. 102(e) as being anticipated by Byer (U.S. 6,684,397) to claims 1-8 is withdrawn in view of applicant's amendment and remarks/arguments.
3. Claims 1-8 are pending.
4. Claims 1-8 are allowed.

### **REASONS FOR ALLOWANCE**

5. The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination fail to teach, in combination with the other claimed limitations, wherein said first link setup step performs the link setup of said second software already installed in association with a button of said first software, and wherein said second link setup step performs the link setup of said second software installed in said second installation step, in association with the button of said first software already installed as recited in independent claims 1, 3, 5 and 7.

The closest cited prior art, Byer (U.S. 6,684,397) teaches a method of installing first software and second software. However, Byer (U.S. 6,684,397) fails to teach wherein said first link setup step performs the link setup of said second software already installed in association with a button of said first software, and wherein said second link setup step performs the link setup of said second software installed in said second installation step, in association with the button of said first software already installed as recited in independent claims 1, 3, 5 and 7; and as pointed out by the applicant's remarks/arguments on pg. 6, par. 3 to pg. 8, par. 5.
